

100% MADE IN THE USA

A Service-Disabled Veteran Healthcare Product

Product Features

WUSA/16-24 offers a rapid solution in the form of a simple, high quality, effective product to fit daily & routine sanitation needs. Instant Hand Sanitizer with Aloe Topical antiseptic sanitizer to reduce transient microorganisms on intact skin.

Ethanol (70%) formula designed to kill more than 99% of most bacteria on skin to help prevent infection and protect against cross-contamination Slick gel solution flows easily to access under nailbeds, cuticles and between fingers to soak into all areas of the hand. Our formula includes aloe to keep skin soft without leaving a sticky residue.

Spring water scented formula containing vitamin E, moisturizers and emollients leaves skin feeling refreshed and well-nourished to allow and encourage frequent use.

Ready-to-use, rinse-free sanitizing solution in secure 16ounce, snap-cap bottle for convenient, on-the-go use with no water or towels needed. *Not Made with Natural Rubber Latex

Convenient "Pump" Nozzle

- Opaque Bottle
- Screw top to pour
